STEELFLEX XTREME ULTRA-HIGH PERFORMANCE HAND FILM

Steelflex Xtreme was designed as a high performance and environmentally friendly stretch film. Steelflex Xtreme ultra-thin and ultra-strong design allows for reduction in both packaging materials and film usage resulting in a cost effective, sustainable solution.

FEATURES AND BENEFITS

- Ultra-thin hand film engineered to replace much thicker products
- Versatile for all load applications
- Stiffer and stronger film design
- Exceptional puncture and tear resistance
- Quiet unwind and clear optics
