

Ideal for:

Agriculture

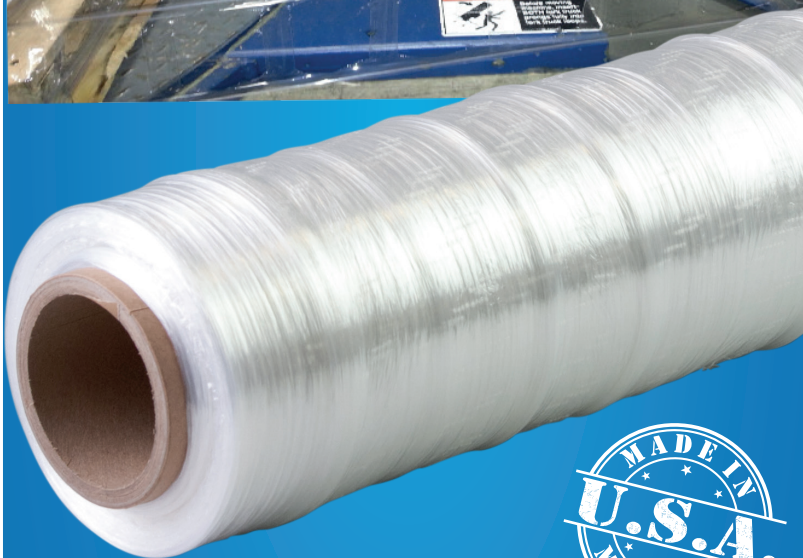

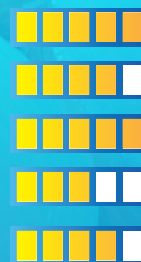

Industrial

Construction

- **Load Containment**
- **ESR / Green Score**
- **Elongation**
- **Cling**
- **Optics**

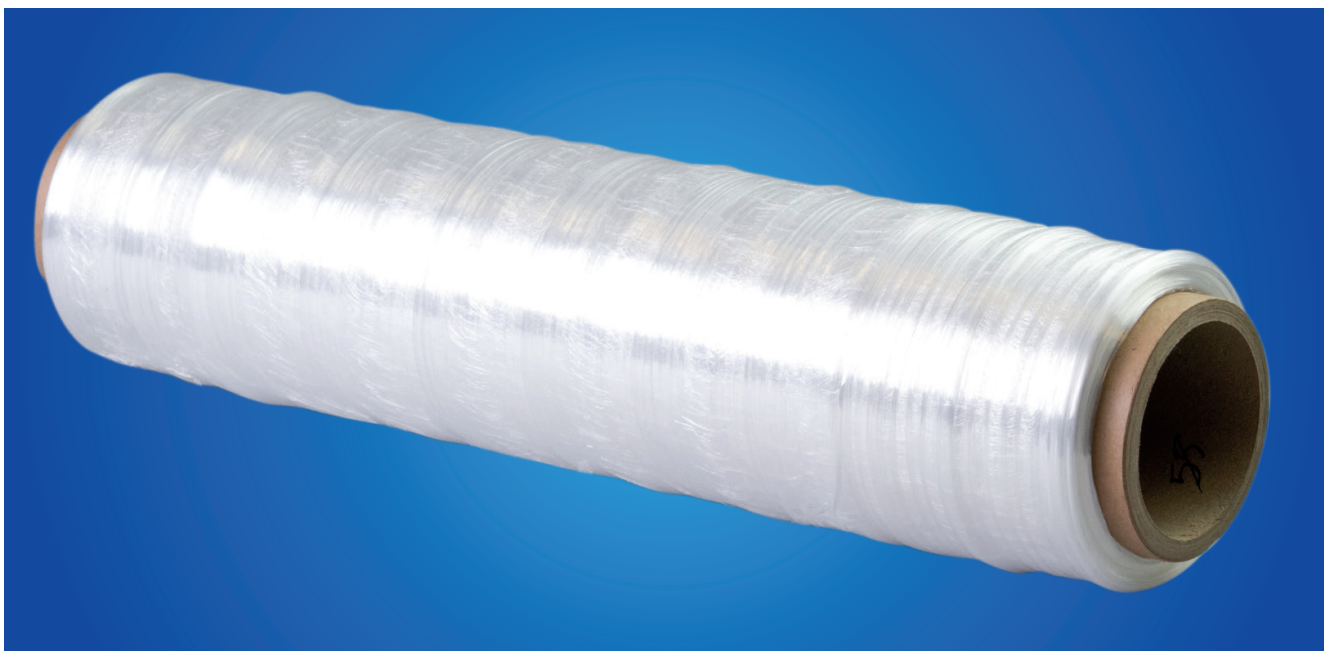

Benefits

- Reduce Film Usage
- Maximum Air Transmission
- Reduced Labor Rates

Features

- Great Waste Reduction
- Stops Condensation
- Zero Neck

Vented

Steelflex Airforce Vented

Steelflex Airforce Vented Film offers breathable load containment with power bands that offer incredible strength and stabilization. Steelflex Airforce is ideal for chilled or frozen products.

Dairy products, ice cream, floral, meat, fish, and frozen snacks are excellent applications.

Steelflex Airforce can also provide condensation control for hot palletized items. Pet food, packaged beverages, canned goods, vegetables, and produce are perfect situations for Airforce.
