DUO PRE-STRETCH NANO

Duo Pre-Stretch Nano

Duo is a stiff, pre-stretched, hand-applied stretch film designed to meet your wrapping needs. Duo pre-stretch offers the advantages of excellent load-holding strength and reduced “neckdown,” while providing superior tear and puncture resistance. This is a very ergonomic product for improved safety, requiring less effort and force to generate load containment.

Features and Benefits

- Light ergonomic rolls
- Folded edges for drop resistance
- Exceptional puncture and tear resistance
- Minimal effort with higher containment
